

Learning Log

Build Relationships with Families

View

In the video:

- *How do the educators keep families informed of their child's learning and activities?*

- *How do the educators engage with families?*

Reflect

In your program:

- *How do you build positive and collaborative relationships with families?*

- *What did you learn that you will put into practice in your own learning environment?*

Notes

Help Families Extend the Learning

View

In the video:

- *How do the educators help families extend the learning at home?*

- *What role do daily routines play in learning at home?*

Reflect

In your program:

- *What strategies do you use to help families actively participate in their child's learning at home?*

- *What did you learn that you will put into practice in your own learning environment?*
